Ever notice the base in a Favorite Base Burner?

Not particularly?

If you did you would find it a third larger than in any other stove with same size fire pot.

Why, if you should place the ash pan of any other stove in a Favorite ash pan it would be lost. Ash pans are made to fit the base, you know.

Every manufacturer tries to get as much radiating surface on his stove as possible, without spoiling the proportion.

We have at least one-third more radiating surface on the Favorite base burner.

Radiating surface is heating surface.

The more heating surface you have on the stove the less coal it burns—the less you have to force your stove. Saves coal, saves stove, save money.

STAND BY THE PRESIDENT

William McKinley, President and Commander-in-Chief of the Army and Navy of the United States, represents today honest money and the credit, prosperity and progress of the country as much and more than he did in the memorable campaign of 1896.

Stand by the president in every state in the Union! Vote for men who will vote to sustain him! Vote for republican candidates for congress, and for republican members of legislatures that will elect United States senators! Vote for every candidate identified with the president's party!—N. Y. Sun.

TO VOTE IS A DUTY

The St. Louis Globe Democrat says: "The republican who wouldn't walk ten miles this year to give President McKinley a vote of confidence could be excused only on the ground of physical disability."

"Apathy defeated the republican party in 1890 and 1892. There will be no apathy this year. Apathy was folly in the years named. It would be crime now. The issues of 1898 are far more important than those of 1890 and 1892 were. Every republican voter ought to go to the polls and cast the straight party ticket on Nov. 8. Undoubtedly every republican will do this."

The Globe Democrat speaks wisely. If ever there was a time when republicans owed it to their principles to cast their ballots, it is now. For this reason the democrats are devoting every energy to clouding the issue, but they will fail. The question is one of republicanism versus populism. Shall a republican be governor of Wisconsin, or shall a Bryanite hold that office? Shall President McKinley be endorsed or rebuked?

A CANARD IS NAILED

The Oshkosh Northwestern nails another campaign canard as follows: A letter pamphlet entitled: "Gov. Scofield's Record, as Shown by His Official Acts" and purporting to have been published by the direction of the republican club of Milwaukee county, is being sent broadcast over the state by the democratic campaign managers, and probably thousands of copies have been distributed in the county. It is only necessary to say that Chas. F. P. Pullen president of the Milwaukee republican club has issued a statement in which he says: "As president of the club I esteem it my duty to inform you that no such pamphlets so being circulated were printed or issued by such club or with its knowledge or consent."

Major Julius Kircheis, of La Crosse, who commanded a battalion of the Third regiment soldiers who fought at the

battle of Aibonito, and who during his absence in Porto Rico, was nominated for sheriff by the La Crosse county democrats, will not accept the nomination and will vote for Gov. Scofield. Maj. Kircheis does not believe in the stand the democrats have taken on the money question. His action leaves the La Crosse county democratic ticket without a head.

The New York Sun quotes a statement that Gen. Edward S. Bragg, the leader of the gold democrats of Wisconsin, is supporting the republican ticket, and adds: "Then Gen. Bragg is entitled to the respect of every friend of honest money, all the more so because at this crisis the weak-kneed, short-breathed casuists among the gold democrats, the Hornblowers and the Couderts, exhausted by supporting a sound money congress once, are straggling back to Bryanism."

The Oshkosh Northwestern says: The city of Milwaukee is bankrupt, but the prospects of high taxes there will scarcely be used by the democrats as a campaign argument against the extravagant administration of Mayor Rose. The boot is on the other leg and that makes some difference.

The Menasha Evening Breeze says: "Six carloads of deadly cigarettes have been shipped from San Francisco to the Philippines. We thought this cruel war was over."

THE TALK OF THE CITY

It's of Interest to Our Readers, Because It Refers to Janesville People.

It's astonishing how news will spread. From every ward and street we hear of our people talking about the workings of the Little Conqueror Merit and honorable methods receive their just praise. So many cases are cropping up that it is next to impossible to investigate them all, but we have taken a few in hand and have given them publicly for the benefit of our reader. Our representative obtained the following statement of facts in a personal interview. They are true in every particular and no stronger evidence can be obtained than home endorsement.

Mr. J. Lawrence, of 408 S. Franklin St., engineer at the Janesville Electric Light Co., says:

"Seven years ago I injured my back by falling through a bridge near Afton, into the Rock river. I was on a traction engine, its weight broke through, and the whole thing went into the stream. Since that time my back has ached by spells, sometimes very severely. If I caught cold it settled in my kidneys, and if I brought a strain on my back by lifting the result was a bad case of backache and sharp twinges of pain in my loins. I procured Doan's Kidney Pills at the Janesville Co.'s drug store and after I used them I was free from backache. I am in better health than at any time since falling through the bridge. It is for just such complaints as I suffered from that I can recommend Doan's Kidney Pills."

Doan's Kidney Pills are for sale by all dealers. Price, 50 cents. Mailed by Foster-Milburn Co., Buffalo, N. Y., sole agents for the U. S. Remember the name Doan's and take no other.

Every one a friend and customer maker—each one a peer among its mates

Hard to Beat this Stove collection; in fact, impossible to equal or beat. If you could in any way find an objection in one Stove one of the others will satisfy you in every way.

Top of the Heap we have been in this season. We prepared for a windfall, and—well—we "got" it. Buyers were more than plentiful. The more Stove purchasers looked the field over the more they became convinced of our Stove efficiency. Stove buying is not over by any means and we are pleased to say we are as well prepared today to suit all comers as at any time

A Pointer about prices—There has always been one great secret about our rapid Stove selling and general good business. Not a secret either—just low prices even with the high qualities of our goods. We don't believe in bleeding our customers; business is not all done in a day or a year.

It is possible to sell once at high prices but it don't go more than once. Our record of over thirty years of increasing hardware and stove business is clear from high prices. Lowell is never undersold. TIN WORK, did you say? We can do it in a hurry. Plenty of men, plenty of tools, and plenty of desire to catch your trade.

HAD GOOD TIMES ON HALLOWEEN

CALEDONIAN SOCIETY HAS A PLEASANT SOCIAL.

Fine Program Keenly Enjoyed Preceded the Dancing—Lyric Ladies' Entertainment—Social Gatherings in Various Portions of the City Last Evening.

The Rock County Caledonian society observed Halloween by a social, entertainment and dance last evening. C. C. MacLean had charge of the program, which consisted of recitations and music. Joe Burns recited "Napoleon" in a manner both forceful and elegant, and Miss Hattie Decker recited "Flying Jim's Last Leap" with admirable effect. E. O. Kimberley sang several selections in his usually effective manner, eliciting loud applause. Colin Campbell gave a recitation, which called forth an encore, and Miss Daisy MacLean gave a recitation from Eugene Field which was keenly appreciated. Miss Edith Murdoch closed the program with a humorous recitation. The floor was then cleared, and those who were so inclined danced the hours away to the music of Smith's orchestra.

Lyric Ladies Entertainment. The Lyric Ladies of Chicago, gave a concert last evening in the Y. M. C. A. course that drew a large house, taxing the auditorium of the association to its utmost. The program was an excellent one throughout and gave great satisfaction to those present. The instrumental selections were especially enjoyed and in these the artistic excellence of the combination was made conspicuous. The soprano soloist, Miss Beaumont, has an excellent voice well cultivated and controlled and her selections were received with loud applause. Miss Cassidy's readings were also a pleasing part of the performance.

Halloween Party. A pleasant Halloween party was given last evening by Miss Corie McCaffrey at the home of her parents, No. 11 Chatham street. Games of all sorts and an elegant supper, closing with an old fashioned candy pull served to make the hours pass pleasantly. Those present were:

Ethel Brown, Grace Wilbur,
Catherine Driscoll, Mamie Erdman,
Ethel Lyle, Bessie McCaffrey,
Anna McCaffrey, Lulu Foley,
Ernest McNett, Ernest Allen,
Johnnie Daly.

A Pleasant Surprise. Mrs. John Stanton was very pleasantly surprised last evening by a visit from a number of Odd Fellows and their families, who filled her Cornelia street home to the utmost. A tasteful supper was served in the course of the evening, and hostess and guests were alike delighted.

MEDAL FOR MISS SCHICKER

Valentine Finals at Last Decided After Many Delays

Very good golf was shown by the contestants in the Valentine trophy semi-finals and finals. Both matches were played yesterday afternoon after many postponements and Miss Elizabeth Schicker won first honors.

In the semi-finals, between Miss Schicker and Miss Jennie Baker, Miss Schicker won 3 up and 2 to play.

This left Miss Schicker and Miss Agnes Shumway to meet in the finals. The former won 2 up. There was an interesting contest, Miss Schicker's score for the 6 hole round being estimated at 37. Several holes were made in 4 and "The Hickories" was holed in that figure.

Miss Schicker now becomes the custodian of the medal for a year. The presentation will be made, probably, at the dedication of the new club house this month.

There has been great improvement in play among the ladies since the competition began. An effort is being made to induce Miss Schicker to qualify for the Milwaukee or Chicago ladies' tournament next year, as it is felt that she will acquit herself with great credit.

GEORGE DOWER IS POPULAR

Former Janesville Musician Receives High Praise at Fargo

George Dower, formerly of Janesville, is referred to in a complimentary fashion by the Fargo press. The Republican, in reviewing a recent concert says: "The piano duet, 'Tarentella,' by Mr. George Dower and Mrs. T. A. Whitworth was a beautiful piece, beautifully played by the two artists. This was Mr. Dower's first appearance before a Fargo audience and by his superb mastery of the piano, made him much sought after in musical circles. Mrs. Whitworth is well known in the city as one of the most accomplished musicians."

MANUFACTURING AT MONTEREY DAM

MICHIGAN COMPANY LOOKING FOR A FACTORY SITE.

Will Buy or Lease the Monterey Water Power If It Can Be Had on Reasonable Terms—Fine Office Furniture the Specialty—Asks No Bonus.

The Gazette has learned that representatives of a large manufacturing plant have been in Janesville recently investigating the property at and around Monterey dam with the idea of acquiring the water rights there for the purpose of establishing an extensive manufacturing of furniture. The company owns a large tract of hardwood timber land in the northern part of the state, which is now being transported to a Michigan manufacturing plant under its control. Of late years, however, the lumber accessible by water has been becoming exceedingly scarce, and transportation by rail is the only resort. This is necessarily expensive, and reduces the profits of manufacturing materially.

Janesville railroad facilities have directed the attention of the company to this city as a good site for a manufacturing plant. The lumber can be shipped here conveniently and manufactured into desks and fine furniture, and from here distributed at small cost to the salesrooms.

If the waterpower at Monterey can be secured on favorable terms it is believed that the company in question will establish a factory here which will give employment to several hundred workmen. The company asks no bonus, but will purchase or lease the water power and erect such buildings as they may require provided they can obtain reasonable terms. At present the water power is useless. If it can be utilized as proposed Janesville will be the gainer.

LOCAL HUNTERS PAID LIGHT FINES

DISREGARDED GAME LAWS AT KOSHKONONG.

Eighteen in All Paid For Illegal Shooting—Three From This City Were On The List—State Game Warden Johnson Kept Busy These Days Looking Up Evidence.

For violating the game laws at Lake Koshkonong eighteen hunters were arrested by State Game Warden Johnson, of Oshkosh, and yesterday they appeared before a justice at Fort Atkinson and were each assessed a nominal fine. From this city Harry H. McKinney and William McVicar were included as was also Edwin Parker, who resides near the edge of the city. In each case they were fined \$10 and costs, or a total of \$13.74, which they paid.

At the time of the arrest of the hunters Warden Johnson managed to secure different equipments belonging to the sportsmen but in most cases the property was returned.

For several days past Warden Johnson has been at the lake closely on the watch as to different methods of hunting ducks carried on by the sportsmen there at this time of the year. Saturday he made up his mind that he had all the evidence he needed. Others who were arrested resided in different portions of the state and in Chicago. This move on the part of the state officers will no doubt be sufficient warning.

Local deer hunters now in the northern pineries as well as many from here who expect to go soon, will be closely watched by wardens.

Game Warden Bissinger, of Green Bay, has struck the first blow this year by causing the arrest of several prominent Chicago business men near Lakewood, who were hunting out of season and with dogs. Mr. Bissinger heard of the party's coming and after allowing them a day in which to prepare for the hunt, he left on Tuesday in search of them.

Their car was found sidetracked at Lakewood and the party consisting of nine men, were at the farm of the Oconto Lumber Company.

VOLUNTEERS HERE TONIGHT

Soldiers of the Gospel Will Be Heard This Evening.

The detachment of the Volunteers of America, now in the city enroute for Utah, will hold a public meeting at the First M. E. church tonight. They will have good music, and a talk will be given by the adjutant to those unacquainted with the work.

These missionaries are an earnest band, and deserve a large hearing from those of our citizens who are interested in religious work.

Fresh Fish.

We have ordered and will receive Thursday morning fresh white fish and steak trout. We will also have some very choice smoked white fish. Every day we are receiving direct from the oyster beds at Baltimore the choicest solid meats that money can buy. Our oysters are kept in stone jars clean and sweet, a fact worth remembering. OLIVER SCOTT'S MINSTRELS

They Promise An Entertainment Of Rare Excellence Thursday Night

Oliver Scott's Refined Negro Minstrels, formerly known as the Al. G. Field Negro Minstrels, one of the largest entertainments of the kind, composed exclusively of colored people, and among them some of the best performers in their special lines before the public, will be the next attraction at the Myers Grand, Thursday, Nov. 3.

There is nothing that catches the general public as does a good first class minstrel show. There is no band of musicians that can play the popular airs of the day as can a minstrel band. There is a snappy, catchy movement to the music produced by a minstrel band that distinguishes it from all others. The minstrel show has a charm for many that no other entertainment possesses. There is the first part, with its rows of marionette like figures seated one above another, the base drum and bass fiddle capping the pyramid. Then the deep voiced interlocutor says: "Overture, gentlemen," and they are off. The rattling of the bones, the sounding of the tambourine, the blending of the voices harmoniously in the opening chorus, here and there a few catchy bars from some opera, then a lively negro air, the dancing and prancing of the end men, and the end of the overture, the funny jokes, the pathetic ballad, the quartettes, then the olio, then the sensational specialties, then comes the funny afterpiece, and it's all over. A real good minstrel show is as vivifying and refreshing as a shower during a drought. Oliver Scott's Refined Negro Minstrels will certainly reap a harvest when they appear in this city. The success of this company for the past two years has been something phenomenal. The company is a large one, composed of more than forty people, and traveling on its own train of palace cars. Seats on Wednesday morning at 9 o'clock.

WARSHIP SENT TO HAVANA.

United States Cruiser Topeka on the Way.

GENTLE HINT GIVEN BLANCO.

Intimation That He Must Make Up His Mind to Leave the Island on the Date Set by Our Commissioners—One Concession Made.

Washington, Nov. 1.—The cruiser Topeka sailed from Philadelphia for Havana Monday. She will be the first harbor since war with Spain began.

It was said at the navy department that the orders to the Topeka had no greater significance than the intention of the department to keep naval vessels in Havana harbor for a short time only during the yellow-fever season, and she was sent there merely because it was time for the Scorpion to come away.

The sending of the Topeka is generally considered to be a hint to Blanco and the Spanish evacuation commission that the United States is prepared to enforce its demand for the complete possession of Cuba on Jan. 1. The American commission has delivered an ultimatum on that subject to the Spanish commissioners, and has refused to discuss the question any further. The statement of the navy department is natural and proper, but the steel hand is under the velvet glove.

The Topeka was formerly the Diogenes, built by the Thames Iron works in England for a nation which did not pay for her, and sold to the United States by that company just before the war began. She is commanded by Commander W. S. Cowles, who was stationed at Havana as commanding officer of the supply vessel Fern from the time the Maine was destroyed until just before the war began.

Spaniards Make a Concession. Havana, Nov. 1.—The Spanish commission has notified the American

A Piercing Pain

In the Left Side, Under the Left Shoulder Blade or Through the Heart, Shortness of Breath and Smothering Spells Indicate Heart Troubles. Cure them with

Dr. Miles' New Heart Cure, The Great Heart and Blood Tonic.

Not unfrequently the symptoms of a weak or diseased heart are obscure and misleading. Overwork or heart strain produces more or less irritation, showing itself in shortness of breath, pain in the heart, or in some of the numerous nerve centers of the chest and abdomen. In most cases the pain is not in the heart, but appears in the bowels, especially in the left side, in the left shoulder and down the left arm. In bad cases of neuralgia of the heart the pain will shoot into the head, chest and both arms. Dr. Miles' New Heart Cure strengthens and controls the heart action while it purifies the blood, stimulates the digestion and builds up the entire system.

The following letter is from Mrs. H. W. Bliss, of Winchester, N. H.: "Three years ago I suffered a severe attack of rheumatism in my left side and shoulder which left my heart in a very weak condition. Frequent smothering spells, shortness of breath from going up stairs or sweeping, together with severe pains

in my left side and between my shoulders made me unfit for my household duties. At night after retiring I experienced great difficulty in breathing, and would frequently have to sit up or walk the floor to keep from smothering. Being unable to obtain relief from other sources I was induced by a friend to try Dr. Miles' New Heart Cure and after taking 4 bottles I was enabled to attend to my duties about the house without feeling the least exhaustion. The pain in my side and the smothering spells both disappeared; my appetite improved and my health was better in every way. I have nothing but words of praise for that wonderful medicine and have recommended it to many of my friends."

From an old soldier of the rebellion comes the following: "I have had rheumatism of the heart for years and have suffered at times very severely with pain at the lower edge of my left shoulder blade and through my heart. It would be so bad at times

that I could not sleep at night and often prevented me from attending to my work. After using almost every remedy that I ever heard of I finally purchased a bottle of Dr. Miles' New Heart Cure and a Restorative Plaster. They were like oil on troubled waters, for I went to sleep and rested nicely the first night. I continued with these remedies until I was fully cured and have had no return of my old trouble since."

WHY USE

Pond's Extract Why not something else? Because

Dr. J. J. THOMAS says: "It is incomparably superior to any extract of Hamamelis I have ever used." Dr. O. G. RANDALL says: "Nothing can equal Pond's Extract. I have tested others, and yours is four times as strong as the best." Dr. J. C. MITCHELL says: "Pond's Extract of Hamamelis Virginia is the only reliable article I have found." Dr. H. K. WELLS says: "The difference between Pond's Extract and so-called Witch Hazel is the difference between a cent and a dollar." Dr. H. F. MERRILL says: "It is far superior to any I have used in strength and purity." Dr. R. J. HARRISON says: "I have never found any extract equal to Pond's." Dr. POWELL says: "Hereafter I shall use no other than Pond's Extract."

And that's why.

ELECTION NOTICE.

OFFICE OF COUNTY CLERK.
October 31st, 1898,

TO THE ELECTORS OF ROCK COUNTY:

Notice is hereby given that a general election is to be held in the several towns, wards and election precincts in the county of Rock on the eighth day of November, 1898, at which the officers named below are to be chosen. The names of the candidates for each office to be voted for, whose names have been certified to this office, are given opposite the title of the office and under the appropriate party or other designation each in its proper column, and the questions submitted to a vote are stated below:

INFORMATION TO VOTERS.

The following instructions are given for the information and guidance of voters: A voter upon entering the polling place, and giving his name and residence, will receive a ballot from the ballot clerk, which must have endorsed thereon the names or initials of both ballot clerks, and no other ballot can be used. Upon receiving his ballot the voter must retire, alone, to a booth or compartment and prepare the same for voting. A ballot clerk may inform the voter as to the proper manner of marking a ballot, but he must not advise or indicate in any manner whom to vote for. (If it be a general election these words are to follow: The voter, if he wishes to vote for all the candidates nominated by any party, should make a cross mark, X, under the party designation printed at the top of the ballot in the square made for that purpose. A ballot so marked and having no other mark, will be counted for all the candidates of that party in the column underneath, unless the names of some of the candidates have been erased, or a cross mark be placed opposite the name or names of candidates in another column, and will be counted for all names written in lieu of one erased. If the voter wishes to vote for some of the candidates of different political parties, he should make a cross mark, X, less the names of some of the candidates have been erased, or a cross mark be placed opposite the name or names of candidates in another column, and will be counted for all names written in lieu of one erased. If the voter wishes to vote for some of the candidates of different political parties, he should make a cross mark, X, after the name of each candidate he desires to vote for.) If he wishes to vote for a person for a certain office whose name is not on the ballot he must write the name in the blank space under the printed name of the candidate for the office. The ballot should not be marked in any other manner. If the ballot be spoiled it must be returned to the ballot clerk, who must issue another in its stead, but not more than three in all to any one voter. Five minutes time is allowed in booth to mark ballot. Unofficial ballots or memorandum, to assist the voter in marking his ballot, can be taken into the booth and may be used to copy from. The ballot must not be shown so that any person can see how it has been marked by the voter. After it is marked it should be folded so that the inside cannot be seen, but so that the printed indorsements and signatures of the ballot clerks on the outside may be seen. Then the voter should pass out of the booth or compartment, give his name to the inspector in charge of the ballot box, hand him his ballot to be placed in the box and pass out of the voting place. A voter who declares to the presiding officer that he is unable to read, or that by reason of physical disability, he is unable to mark his ballot, can have assistance of one or two election officers in marking the same, to be chosen by the voter, and if he declares that he is totally blind he may be assisted by any person chosen by him from among the legal voters of the voters of the county. The presiding officer may administer an oath, in his discretion, as to such person's disability. The party designations and candidates for the different offices are, for example, as follows:
